This African-American female is believed to be at a homicide that occurred on 12/7/14 on 20th St and Mission in San Francisco.

Later on the same day these stills of video surveillance taken from NikeTown from Post/Stockton St San Francisco, captured her in the company of Taaron Bragg (BMA 2/2/93) and Andre Videau (BMA 9/11/91) She is apparently wearing the same jacket that she wore when the homicide of Camilio Beltran occurred.

It should be noted that the photo on the left shows her with her hair down. In the image on the right she has her hair in a bandana. Anyone with information please contact Insp. Daniel Cunningham @415-1109, or email at DANIEL.CUNNINGHAM@SFGOV.ORG
